TRAVELING TO YALE AND NEW HAVEN

Participants in the Yale Young Global Scholars Program are responsible for arranging their own transportation to and from the program.

Please plan to arrive at Yale no later than 3:00 p.m. on the first day of the program. Orientation programming and activities begin at 4:00 p.m. If you cannot arrive by 3:00 p.m., you may arrive the previous day and stay in one of the residential colleges at an additional cost of $80.

At the conclusion of the program, all participants must be checked out and picked up no later than noon (12:00 p.m.) on departure day. Please note that it is not possible to stay on campus after this time, nor can the program or staff be responsible for any participant after the program concludes.

Please enter your arrival and departure information online in the travel information form no later than May 16 for PLE and ASE session participants, June 9 for IAS and BBS session participants, and June 25 for TIE and SEE session participants.

Driving to/from New Haven

Directions from New York City and points south:
Take I-95 N to exit 47 in New Haven to merge onto route 34/downtown New Haven. Immediately take Exit 1, merge onto N. Frontage Road, and take a right on Church Street. Go 3 blocks to Chapel Street and turn left. Take Chapel three blocks to High Street and turn right, or four blocks to York Street and turn right.

Directions from Boston and points north:
Take I-90 W to I-84 W. In Hartford, take I-91 S. From I-91 S, take Exit 3 toward Trumbull Street. Continue straight on Trumbull for four blocks to Prospect Street. Turn left on Prospect and take Prospect four blocks (after one block it turns into College Street). This route takes you through the heart of the Yale campus. Turn right on Chapel Street, and continue one block to turn right on High Street or two blocks to turn right on York Street.

If you are traveling to the program by car, the best place to park is on Park Street for Pierson College (PC) and High Street for Jonathan Edwards (JE). Additional parking may be found on York Street for both colleges. We strongly discourage participants from bringing their own cars, as parking during the summer is very difficult to secure. Participants who bring cars to the program are not permitted to use their automobiles during the program.

Train & Bus in/out of New Haven

New Haven is served by:
- Amtrak (Northeast Regional, Acela, Vermonter) http://www.amtrak.com/home
- Metro-North from Grand Central Terminal in New York City http://as0.mta.info/mnr/schedules/sched_form.cfm
- Megabus (from Boston, Hartford, and New York City) https://us.megabus.com/

All trains and buses to New Haven stop at Union Station.
Train & Bus in/out of New Haven continued

Taxis are available at Union Station; drivers should be instructed to drop students off at Jonathan Edwards College at 68 High Street or Pierson College at 261 Park Street. Fare is approximately $10 to the Yale campus. Alternatively, students may choose to use the Uber service. The free Yale Shuttle also serves Union Station.

Plane in/out of Connecticut and New York:

If you are flying internationally, we strongly suggest flying into John F. Kennedy International Airport (JFK) in New York City. JFK is approximately 80 miles from New Haven, Connecticut, and is served by nearly 100 airlines from airports all over the world.

If you are flying into Bradley International Airport (BDL) in Hartford, Connecticut, John F. Kennedy International Airport (JFK), or LaGuardia International Airport (LGA) in New York City, or Newark-Liberty International Airport (EWR) in Newark, you will need to arrange ground transportation to and from New Haven.

Ground transportation options include:

New Haven-Tweed Airport (HVN) is small and supports very limited commercial flights. International airports in Hartford and the Greater New York City area better serve the needs of most participants traveling to the program.

If you choose to travel to New Haven via New Haven-Tweed Airport, you will need to take ground transportation to the Yale campus, as the airport is east of the city. Taxi fare to Yale is approximately $25-30. Metro Taxi has New Haven’s largest taxi fleet: +1 (203) 777-7777.
DOCUMENTS FOR THE PROGRAM

Photo Identification

Participants traveling to the program from outside the United States must have a valid passport that will remain valid for the duration of the program. Students traveling to the program from inside the United States must have appropriate identification to travel within the United States.

Each participant must provide a scanned copy of his or her government-issued photo identification to the Yale Young Global Scholars Program in order to receive access to the Yale University secure wireless network.

Travel Documents

Participants traveling to the program from outside the United States are responsible for securing the appropriate travel documents to travel to the United States for the duration of the program.

International participants in the Yale Young Global Scholars Program usually enter the U.S. on a B visitor visa. Yale University is not awarding academic credit for this program, nor are participants registered as Yale students. Participants do not need to apply for student visas to attend the program.

If you must obtain a visa to travel to the United States to attend the program, our program staff will provide you an official letter from the YYGS program to supplement your visa application. The letter will be provided to you once your tuition has been paid in full.

For more information about traveling to the U.S. as a visitor, visit:
http://travel.state.gov/content/visas/english/visit/visitor.html

Health Insurance

The Yale Young Global Scholars Program requires that all participants be covered by health insurance during the program, including during travel to and from the program. In Part 1 of the registration form, participants must upload a copy of a valid health insurance card (front and back).

For national and international participants who do not have health insurance, it will be provided for you at no additional cost.

For all health insurance questions please contact Atlas Health directly.
Phone: Toll Free (877) 758-4391 | Direct +1 (904) 758-4391
Email: info@internationalstudentinsurance.com

For program-related health questions, please contact Assistant Director Pierre Morton at pierre.morton@yale.edu.
ACADEMIC INFORMATION

The Yale Young Global Scholars Program is an intensive educational experience that combines lectures from top Yale faculty, elective seminars, a research project and presentation, and other unique academic and recreational activities to give talented high school leaders from all over the world a chance to challenge themselves, meet other extraordinary students, and get a taste of life at Yale University. Program activities regularly run from 9:00 a.m. to 9:00 p.m. each day, and students are expected to be full participants in all program classes and events.

Session Schedules

A detailed session schedule will be released in May to all participants.

Seminar Preferences

Participants will participate in several different elective seminars during the session. All seminars are specially developed for the Yale Young Global Scholars Program.

Participants will receive information about providing seminar preferences in May, including seminar titles, descriptions, and a form to complete to register preferences. Please note that we cannot guarantee that participants will be placed in their top choice seminars, but the YYGS staff does its best to place participants in one of their top three choices for each seminar meeting time.

Seminar assignments will be released in early June.

Research Group Preferences

Participants will also be placed into evening project groups centered on a particular topic or theme. In these groups, participants will complete a substantial research-based project that includes both a written and presentation component. Participants will receive information about registering their topic/theme preferences in May.

Readings

Most program lectures and seminars will have required readings that are available electronically. Readings should be completed before the session begins, as participants will have very limited time to do reading during the program.

Readings will be shared via Yale Box no later than early June.

WHAT TO BRING AND FAQs

What should I bring to the program?

- Towels (hand or face)
- Toiletries (shampoo, soap, deodorant/antiperspirant)
- Fan – Please note that suites are not air-conditioned. If you are driving to campus, we encourage you to bring a fan and if you are flying in, you may purchase a fan when you arrive at Walgreens Pharmacy, which is conveniently located (walking distance) near JE. All classroom and common areas are air-conditioned.
- Pens or pencils and notebooks or writing tablets
What should I bring to the program? continued

- Sunscreen
- Prescription medications in original bottles/containers with dosage information
- Umbrella and light rain jacket
- USB thumb or key drive
- Laptop and charger

Sheets, bath towels, a blanket, and a pillow are provided to participants.

The Yale Bookstore, Walgreens Pharmacy, and several other stores are just a short distance away and sell toiletries, stationery supplies, sundries, snacks, and other goods. If you forget something you can purchase items locally when you arrive on campus. There are ATM machines on campus and at the Yale Bookstore.

First aid items and laundry detergent are available in the program office of each residential college.

What should I wear while I’m at YYGS?

The dress code at Yale is a fairly relaxed one, and we promote a professional but comfortable learning environment at YYGS. Be aware that summers in New Haven can be quite warm and humid with occasional rain. Participants should keep in mind that they will be interacting with Yale University faculty and staff on a daily basis. Here is what we suggest:

- For the morning, afternoon and evening sessions: T-shirts or polo shirts, or blouses, and jeans, light pants, or shorts.
- For the final program exercise and end-of-program dinner and graduation event: One or two dressy outfits such as dresses, suits, blouse/shirt and skirt/slacks, blazer with tie, or similar.
- Please leave at home: Cut-offs, “short” shorts, mini-skirts, halter or strapless tops, “muscle shirts”, shirts with large graphics or type, ripped, shredded, or damaged clothing, party clothing or club wear, clothing that is distracting or otherwise of poor/questionable taste.

Do I need to bring spending money?

A common concern is how much spending money a participant should bring with him or her to the program. Tuition covers housing and three meals per day, so basic needs are covered. However, you should bring funds to cover your personal expenses such as laundry, snacks, bottled water, supplies, and any local shopping (souvenirs, personal purchases, etc.).

The program is located in the heart of the Yale campus in downtown New Haven, and there are a variety of restaurants and coffee shops nearby that many participants choose to visit. Snacks and bottled are also sold in the program office between 8:00 a.m. and 11:00 p.m. ATM machines are also close to JE and PC, and debit and credit cards are accepted at local vendors.
Is there a gym I can use?

The Payne Whitney Gymnasium is located only three blocks from JE and PC. Yale is proud to house one of the most elaborate indoor facilities in the world. It has a magnificent 20,000 square foot Adrian C. “Ace” Israel Fitness Center, which includes the 7,000 square foot Brooks Dwyer Varsity Strength and Conditioning Room, along with an air-conditioned one-eighth mile indoor running track. Two pools are also available.

Participants in YYGS can sign up to use the gym during the program at the following link: [https://www.regonline.com/gymmemberships2016](https://www.regonline.com/gymmemberships2016).

**IMPORTANT PROGRAM POLICIES**

The Yale Young Global Scholars Program has high expectations of student conduct. Adult supervision is provided at all times during the program, but students are expected to be responsible members of the program community. *Please do not bring any items to the Yale Campus that will jeopardize your program experience or the experience of others.*

**DRUG AND ALCOHOL POLICY**

Alcohol and other controlled substances not specifically prescribed to a student, including but not limited to marijuana, are absolutely prohibited at the program, including inside suites in Jonathan Edwards College and Pierson College. YYGS has a zero tolerance policy. Any student found possessing, consuming, buying, trading, distributing, or selling alcohol or other drugs will be asked to leave the program immediately with no refunds, and may be subject to local, state, or federal criminal penalties. The legal drinking age in the United States for all alcoholic beverages is 21.

Students who are prescribed controlled substances must keep all medications in original containers with prescription information in the YYGS program office. A member of the program staff will record and dispense the indicated dosage directly to the student.

**SMOKING AND TOBACCO POLICY**

Tobacco products, including but not limited to cigarettes, are prohibited in Jonathan Edwards College and Pierson College.

**GAMBLING POLICY**

The State of Connecticut and Yale University prohibits gambling by persons under 21 years of age. Any gambling activities during the program are prohibited. Internet gambling is also prohibited.

**WEAPONS POLICY**

Weapons of any kind are strictly prohibited in the Yale Young Global Scholars Program and on the Yale University campus.

**NO RECORDING-BLOGGING-ATTRIBUTION POLICY**

The YYGS program is conducted as an academic program where free expression and vigorous debate are not only
encouraged and expected. We want our students to be intellectually courageous and our invited presenters to be free to speak “off the record” without concern that what they say in an academic environment will appear in the public domain, including on the internet, at any time during or after their participation or presentation.

We maintain a strict policy that prohibits any video, audio, or digital recording of program sessions including lectures, briefings, seminars, discussion sessions, and presentations. Students are encouraged to take notes for personal use; however, any student found to be recording program sessions without the written permission of Executive Director Ted Wittenstein, is subject to dismissal from the program with no refunds. This policy also extends to material about the program, its programmatic content, handouts, and presenters/instructors and their remarks – written, verbal, or recorded – that are posted to websites, blogs, and social networks. The only exception to this policy is during sessions where recording practice speeches and presentations are permitted.

Students may take photographs during the program for personal use only. Photography is not allowed during lectures, seminars, classes, or presentations in order to avoid disruption of instructional time.

_Students who are in violation of YYGS policies, Yale University policies, or local, state, or federal law may be dismissed from the program and, if applicable, subject to additional criminal penalties._

Housing on Campus

Yale University undergraduate dormitories are called residential colleges, and each of the 12 colleges house between 200 and 400 undergraduate students. The Yale Young Global Scholars Program is a residential program and provides housing in a residential college to all participants. Housing is included in tuition fees.

YYGS participants will be housed in suites in the residential colleges described below. All suites and floors are single-gender and staff members will be housed throughout both residences. There is a community bathroom on each floor with individual toilets and shower stalls. All participants will have at least one suitemate.

Day participants who commute to the program each day do not receive suite or room assignments.

Jonathan Edwards College will host students attending the following sessions: ASE, BBS, and TIE 68 High Street in New Haven, Connecticut

Jonathan Edwards College, commonly referred to as “JE,” is Yale’s oldest residence. JE is located between High Street and York Street.
Jonathan Edwards College continued

JE is located in the heart of the Yale campus, and is a short distance away from Old Campus, the Yale Art Gallery, Sterling Memorial Library, and the classroom buildings where we will be holding our class sessions. A few living alumni of JE include U.S. Secretary of State John Kerry (JE ’66), U.S. Ambassador to China Gary Locke (JE ’72), and U.S. Senator from Minnesota Amy Klobuchar (JE ’82). You can view the college’s location at Yale’s campus map website: http://yale.edu/campusmap.

Pierson College will host students attending the following sessions: PLE, IAS, and SEE

261 Park Street in New Haven, Connecticut

Pierson College (PC) was founded and built in 1933 at Yale University. Today, PC is the largest residential college at Yale. The College includes a large grass courtyard, and is located between Park and York Streets in New Haven, CT.

The College takes its name from Abraham Pierson (1646-1707), one of the founders of the Collegiate School, which later became Yale University – a statue of Abraham Pierson stands on Yale’s Old Campus. Among the traditions and activities for which Pierson is known is the Pierson Press, one of the most active of Yale’s many traditional letterpress print shops. It was founded over half a century ago and nurtured by a succession of Pierson Masters including John Hersey, Quincy Porter, Gaddis Smith, Harvey Goldblatt, and, currently, Stephen Davis.

You can view the college’s location at Yale’s campus map website: http://yale.edu/campusmap.

Keys and Deposits

At check-in on the first day of the program, participants will receive:

- A “prox card” for electronic entry to their residential college courtyard and to individual entryways within the residence
- A physical key that unlocks his or her suite door AND bedroom door
- A dining card to be swiped by Yale Dining Staff before each meal

In advance of the program, participants will need to provide a refundable key/prox card deposit of $100.00 USD. The deposit must be paid through CampDoc on Part 2 of the Registration Form. This will serve as deposits for the key ($50 USD) and prox card ($50 USD) in case they are lost during your stay at Yale. If a dining card is lost, participants must pay $5 in cash to receive a new one.

The $100 deposit will be returned to participants upon return of the key and prox card at the end of the program. However, if you are unable to return any or all of the access items at checkout, the deposit(s) will be forfeited and used to replace the keys and/or prox card.
Laundry Facilities

Laundry facilities with energy efficient washing machines and dryers are available in JE and PC for a nominal fee. Machines take U.S. quarters, and participants may also pay for laundry cycles with a credit or debit card.

Laundry detergent will be available in the YYGS office free of charge. Professional dry cleaning and laundry services are available within three blocks of both residential colleges.

Mail During Program

During the program, letters and postcards for participants may be sent to:

Student Name  
C/O Yale Young Global Scholars  
206 Elm St.  
P.O. Box 205001  
New Haven, Connecticut 06520 USA

The Yale Young Global Scholars Program P.O. Box will accept letters and postcards only. YYGS does not have a physical mailing address, so packages should not be mailed to the participants during their two weeks on campus, and participants should not order goods from online retailers. Please do not have packages sent to Jonathan Edwards College or Pierson College as they will not be received.

Meals at Yale

Breakfast, lunch, and dinner will be offered every day throughout the program to participants. All meals are included in tuition fees.

Meals begin with dinner on the day of check-in and end with breakfast on the day of check-out. If you have any specific dietary needs or restrictions, including food allergies and religious observances, please provide that information when you register in CampDoc.com (Part 1 of the Registration Form). Yale Dining Services are able to accommodate most dietary restrictions.

Wi-Fi and Computer Equipment

JE and PC have wireless network connectivity available in all areas of the residence, as do all Yale classrooms. Program participants will be provided with access to the secure Yale Wi-Fi network upon check-in.

Each participant is required to bring his or her own laptop and is responsible for its security. Netbooks or tablets with keyboards are acceptable alternatives. Participants who cannot to bring a laptop to the program should contact Program Administrator Tina Saller at tina.saller@yale.edu as soon as possible to arrange for a laptop rental for the duration of the program.
