ABOUT YYGS

Yale Young Global Scholars (YYGS) is excited to announce that our Summer 2019 expansion will feature two inaugural, humanities-focused sessions: Literature, Philosophy, & Culture (LPC) and Creative Arts and Media (CAM). YYGS is an academic leadership program that brings together outstanding high school students from around the world for intensive sessions during the summer.

Students will have the opportunity to actively learn from Yale faculty members, participate in seminars designed and led by YYGS instructors, and engage with practitioners who are renowned leaders in their field -- all while experiencing the world-class facilities and resources that Yale University and Yale Center Beijing have to offer.

FINANCIAL AID

YYGS provides need-based financial aid to students with demonstrated financial need, which is offered as a tuition discount (up to $6,250 USD, 100% of tuition). Last year, YYGS distributed over $2.3M in financial aid. The application for financial aid is included in the online program application and due by the application deadline.
