YOUNG LEADERS SCHOLARSHIP FOR REFUGEE STUDENTS

For Summer 2018, Yale Young Global Scholars (YYGS) will offer the Young Leaders Scholarship to students in financial need who identify as refugees. These scholarships cover 100% of each student’s tuition and include all required travel expenses to participate in the program.

ABOUT THE PROGRAM

YYGS is a summer enrichment program that brings together talented high school students from around the world for a two-week academic experience at Yale University or Yale Center Beijing. The program offers seven unique interdisciplinary sessions featuring Yale University faculty focused on areas ranging from international security to biomedical engineering.

ELIGIBILITY REQUIREMENTS

In order to be eligible for this need-based scholarship, applicants must meet YYGS general eligibility requirements in addition to completing the financial aid portion of the online application. On the Financial Aid section of the online application, students should indicate that they are refugees and provide a brief written statement explaining their current situation. YYGS highly encourages all students, regardless of their ethnic and socioeconomic background, to apply for this life-changing opportunity.
